

Certificate

Certificate number: 2014-016
Certified by EY CertifyPoint since:
December 18, 2014

Based on certification examination in conformity with defined requirements in ISO/IEC 17021:2011 and ISO/IEC 27006:2011, the Information Security Management System as defined and implemented by

LeaseWeb*

is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: December 18, 2014
Expiration date of certificate: December 12, 2017

EY CertifyPoint will, according to the certification agreement (dated November 19, 2014), perform surveillance audits and acknowledges the certificate until the expiration date of the certificate.

**This certificate is applicable for the assets, services and locations of the LeaseWeb companies as described in the scoping section on the back of this certificate, with regard to the specific requirements for information security as stated in Statement of Applicability, version 2.4*

drs. R. Toppen RA
Director EY CertifyPoint
